Tier 2 Oliver McGowan Mandatory Training

in Learning Disability and Autism

Tier 2 Classroom-based training

Aims: Enhance learners' understanding of learning disabilities and autism, best practices in health and social care settings, and how this is supported by current legislation.

Learning outcomes:

- Understand the lives and experiences of people with a learning disability and recognise their strengths and contributions
- Explore factors which impact on the quality of care and support of people with a learning disability
- Understand the key findings from the Learning from Lives and Deaths reviews (LeDeR)
- Understand why autism is described as an invisible condition
- Recognise potential differences, strengths and challenges and possible triggers for anxiety for autistic people
- Know what reasonable adjustments are and how to make them
- Be familiar with legislation and resources for inclusive enabling services

Audience: The training is suitable for all staff members of registered health and adult social care services who may be involved in providing care and support for adults with learning disabilities or autism.

All courses are 09:30 - 16:30 - Shrewsbury

- January 29th 2026
