

Are you a Nurse or AHP who is newly qualified,  
internationally educated, returned to practice or simply  
new to General Practice in STW

## This preceptorship programme is for you!

Developed by Preceptorship Leads representing  
Nursing, Midwifery and Allied Health Professionals  
across all organisations in Shropshire Telford  
and Wrekin Integrated Care System.

## What is on Offer?

- Core multi-professional preceptorship development days for preceptees to aid transition, development in role and to enable peer support. Content aligned with the National Preceptorship Framework.
- A standardised preceptorship passport, including meeting templates and documentation to record the preceptees' progress and development to the next level of their career
- Preceptor Development Workshop to support preceptors to understand their role and requirements to effectively support newly appointed or registered staff

## Definition

- Preceptorship is the springboard to enabling the transition from students to newly registered practitioners as they begin the next phase in their professional journey.

## Aim

- We aim to provide an individualised, structured approach that empowers the preceptee to develop their resilience, wellbeing and to grow in confidence and competence through lifelong learning.

## Preceptorship Development Days to include:

- **Day 1** - Introduction to Preceptorship
- **Day 2** - Developing Resilience and Wellbeing
- **Day 3** - Quality and Safety and Human Factors
- **Day 4** - Leadership and Teamwork
- **Day 5** - Review of progress and What Next?
